

Dustin Johnson WORLD JUNIOR GOLF CHAMPIONSHIP

TOURNAMENT OVERVIEW

The Dustin Johnson World Junior Golf Championship will tee off its 9th year with an international field comprised of the top golfers from around the World. This prestigious event will play host to 90 Boys & Girls ages 13-18, held at **TPC Myrtle Beach** the weekend of **March 1-3, 2024**.

With the support of Johnson, the tournament will provide participants with a PGA TOUR-like experience and the chance to test themselves against the premier talent at the junior level. TPC Myrtle Beach, which was home to the Senior PGA TOUR Championship, was built with the idea of hosting tour-level events, and Dustin Johnson World Junior Championship participants will be the beneficiaries. From names on their lockers to placards on the range to live scoring throughout the property and online, the tournament will provide players an experience to what DJ enjoys on TOUR.

The early March date will take advantage of Myrtle Beach's sub-tropical climate and give juniors a chance to jump-start their season. It would not be possible to host a tournament of this quality if it were not for the sponsors and support from the community. It is our belief that the young people that compete in this event will be the future leaders of tomorrow. They will not only be future PGA and LPGA TOUR players, they will be the ones charged with the duty of making sure golf remains healthy.

SPONSORSHIPS & DONATIONS

All sponsors levels directly support the event experience. Proceeds support the tournament and the Dustin Johnson Foundation's many initiatives to grow the game. Please contact DJ Foundation's Vice President, Allen Terrell for more information.
